If this were all—oh! if this were all, That into each life some rain must fail. There were fainter sols in the poet's rhyme. There were fewer wrecks on the shore of tim But tempests of woe pass over the soul— Siace winds of anguish we cannot control, And shock after shock we are called to bear, Till the lips are white with the heart's despa The shores of time with wrecks are strewn, Unto the ear comes ever a moan— Wrecks of hopes that set sail in glee, Wrecks of love, sinking silently.

Many are hid from the human eye, Only God knoweth how deep they lie; Only God heard when arose the cry, "Help me to bear—oh! help me to die." "Into each life some rain must fall,"
If this were all—oh! if this were all;
Yet there's a refuse from storm and blast
Gloria Patri—we'll reach it at last.

Be strong, be strong, to my heart I cry. The pearl in the wounded shell doth lie; Days of sunshine are given to all. Tho "into each life some rain must fall."

The Wesleyan Missionary Society, Eng., has its attention directed to Spain as a field of missionary exertion. But, like the Methodist Episcopal Missionary Society in this country, it is embarrassed by a debt, the pressure of large undertakings, and an insufficient income.

A writer inquires of the editor of the Standard of the Cross, the organ of the Protestant Episcopal Church in Ohio, if he recognizes as valid churches of any other religious organizations than the Protestant Photograph Albums, Episcopalians. To which the editor replies in an emphatic and unquali fied "Yes."

According to the Evening Post, there is in New York an Episcopal church, founded in 1866, and composed entirely of Cubans, Mexicans and Spaniards. Its membership has advanced from twenty to more than three hundred, and large distributions of the scriptures have been made through its agency.

Rev. Mr. Spurgeon, in a recent sermon, disposes of the question, which is the most useful kind of preaching, practical, experimental, or doctrinal, as follows: " The very best preaching is that which has most of Jesus Christ in it, for it gathers up the excellences of the three classes, since for practice Christ is the truth, and for exper ience Christ is the life.

They arrived at the pic-nic grounds and went down the bay about two miles to a beautiful spot on the shore. The bay was quite rough and some of the party were a little sea-sick, but they laughed, and sung it off, for they knew they should have so much better appetites for their lunch. The pic-nic ground was at the foot of a high bluff, called Treaty Point, in a beautiful grove of trees, which had been chosen for the site of a heathen temple and devoted to the worship of idols But when everything was ready and we called the Nippon no kodom (Japanese children), they would not come at first, but shrunk back, and they had to catch and lead several up to the tables and give them something before the rest gained confidence. My son-in-law, who was with me in the store, had been down with the rheumatism for so, se time, commenced on the bitters, and soon ft und his general health improved.

Dr. Gist, who has been in bad health tried them, and he also improved.

Dr. Ciffee, who has been in bad health for several years—sromach and Livers effectal—he impayed very much by the use of your bitters. In deed the Cedron Bitters has given you gree t popularity in this settlement. I think y u could sell a great quantity of your medicin a this full—especially of your Cadron Bit trasnd Sarsaparilla. OB CHILLS AND FEVER The proprietor of this celebrated medicine justify claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy and permanent cure of Agus and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and South-western country to bear him testimony to the trush of the assertion, that in ne case whatever will it fail to care, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whele families have been cured by single bottle, with a perfect restoration of general health. It is, however, prudent, and in every case more certain to cure, if it is use superfied in smaller dose for a week or two-sher the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bosrels in good order; should the patient newever, require a catharite medicine, after having taken three or four doses of the Tonic, a single dose of Bull's Vegetable Family Pfils will be sufficient.
